SUNDAY SCHOOL COHORT CLASS OPTIONS - WINTER 2024

DEEPEN DISCIPLESHIP - Karla Hackworth

This is a six-month Bible Study that walks through the entire New Testament. There are reading assignments and activities to be completed five days a week and a discussion class on Sunday. The course is designed to deepen habits of obedience like Bible Study, scripture memorization, prayer, evangelism, and church involvement. It will also deepen the understanding of how the Gospel impacts all areas of your life and relationships.

THE APOSTLES CREED - Wayne Spoo

During this study, we will discuss how this Creed came about and its use. We will go line by line through the Apostles Creed to understand why each statement is there and its importance to our faith. Each statement has its roots in scripture, so we'll look there for the Creeds' authority. We will also discuss why the Apostles' Creed is just as important today as it was 900 years ago.

WHERE DO WE GO FROM HERE - Jay Crumpler

In this study, Where Do We Go from Here, we'll deal with ten prophetic issues as current as the morning news. Each chapter will review where we are, what it means, and where we go from here. We'll thread our way through problems that Jesus predicted as precursors of the Tribulation, and we'll learn how we should do the next best thing. Even as the world collapses, the Lord is building His Church. We can say something, do something, pray something, preach something, and live by the convictions of Christ. This world will not end in rubble but in His return! Our risen and exalted Lord Jesus Christ, our enthroned Savior, knows the way forward. He will show us where to go from here.
